Lederhosen Craft Project

What you need:
- Paper grocery bag
- Scissors
- Marker
- Tape or stapler

1. Unseal the bottom of bag and remove any handles.

2. Draw a triangle 4.75 inches to 4 inches high.

Cut out triangle on both sides of bag.

3. Mark off one inch in from each side of bag eight inches from bottom.

Cut out section on both sides of bag.

4. On **back side of bag ONLY** mark off two inches from each side of bag.

Cut out section on back side of bag only.

5. On **front side of bag** mark off two inches from each side of bag. Make a bottom arc at approx. 3.5 inches to each side and then a top arc at 5.5 inches.

Cut out sections.

6. Trim out the two extra strips from inside section of bag.

7. If there is print on the outside of bag. Turn inside out. And refold pleats to inside.

8. Draw on buttons and other decoration.

9. Tape or staple straps to fit child.
